

Application for a Property Identification Code (PIC) Form

Use this form to apply to Local Land Services (LLS) for a Property Identification Code (PIC) under the *Biosecurity (National Livestock Identification System) Regulation 2017*.

Anyone who keeps or owns livestock in NSW is required to ensure the land on which the livestock are kept has a Property Identification Code or PIC. 'Livestock' includes one or more cattle, sheep, goats, pigs, deer, bison, buffalo, camelids, equines (i.e., horses and donkeys), 100 or more poultry birds or 10 or more emus or ostriches. One PIC can be used for more than one property provided the properties are used for a common purpose (eg. to graze the same livestock) and are proximate (adjoining or nearby) following approval of the District Veterinarian. If you wish to apply for a PIC to cover more than one property, you will need to contact your local District Veterinarian and complete a PIC Amalgamation Request Form.

For more information on PICS, go to the LLS website at <https://www.lls.nsw.gov.au/livestock/pics>
